## **About DPU Ayurved Hospital & Research Centre**

DPU Ayurved Hospital & Research Centre, Pimpri, Pune is one of the leading Ayurved Hospitals in India, serving patients within the country as well as those coming in from across the globe. For the past two decades, we have been committed to enhancing people's lives by providing Compassionate and Comprehensive medical care. Quality, care, and innovation are the hallmarks of our approach to serving our patients.

A Patient-Centric approach is at the heart of everything we do, with a strong focus on Technology and Healthcare Innovation. Our hospital is well-equipped with state-of-the-art infrastructure and medical technology. We have 316+ beds dedicated to Ayurveda & different Specialties and Super Specialties.

We have an Modern Intensive Care Unit catering to critically ill patients from all branches of Medicine & Surgery, including a dedicated ward for paralysis patients. Our Hospital is equipped with well-trained and highly qualified doctors available 24x7 for patient care.

Our meritorious Centres of Clinical Excellence have been leading the way in creating exceptional patient outcomes and creating innumerable miracle stories. We work with the top doctors in India, who are highly respected in their fields of expertise.

Our hospital is NABH accredited and follows international benchmarks that are performance-driven as well as patient-centric, strongly backed by evidence-based medical expertise.

We strive to foster a safe and welcoming environment for our patients, their families, and our staff. Backed by a strong legacy, we have carved a niche as one of the most prestigious and trusted hospitals in India. With an uncompromised commitment to the highest standards in Quality and Patient Care, we have touched millions of lives so far.

**Infrastructure & Facilities**

The hospital building is an architectural masterpiece in itself! It has a mural of Lord Dhanvantari on its facade. The Institute is also known for its state-of-the-art facilities that are in tune with the best in the world.

The Hospital is fully geared so that it can provide medical care 24x7. It is equipped with a Separate Panchakarma unit, Casualty Medical Services, and ambulance services which are operational 24 hours. Also available are monitoring and diagnostic facilities, 'Mahatma Jyotiba Phule Jeevandai Arogya Yojana,' the health insurance scheme for poor and needy people has been implemented by the Hospital along with the Government of Maharashtra.

## Vision

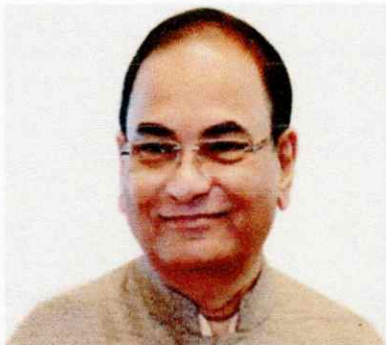

Single window delivery of healthcare services to induce paradigm shift in community attitude that many diseases are preventable, curable, and affordable. To foster global competencies, for inculcating value system among learners.

## Mission

Learner centered healthcare education, community-oriented research, patient centered service, and inter-organizational linkage. Excellent healthcare education and service systems for community development.

## Our Leaders, Our Pride

Every organization's growth and success depend equally on its leaders. At DPU Ayurved Hospital & Research Centre, Pimpri, Pune; we are lucky to be led by some bright and visionary minds that have always pushed us towards innovation and delivering patient-centric care.
